### AWARDS:

- First award 500 euro and a diploma.
- Two awards 250 euro and a diploma.
- Three accesit with a diploma.

The awarded authors will be inscribed free at the Conference as students.

### JURY:

The members of the jury will be Architects Félix Escrig Pallarés and José Sánchez Sánchez as cochairman of the Conference, Architect Emilio Pérez Belda, president of Pérez Piñero Foundation, Architect Juan Pérez Valcárcel, professor of Structures in La Coruña and Architect Robert Brufau I Niubó, BOMA consulting director in Barcelona.

The secretary will be Architect Teresa Rodríguez León.

Results will be published First September 2013

The award ceremony will be decided in the final schedule.

### BASIS:

1. Students of all university around the world may present their proposals.
2. Final date for presentation is 15th June 2013 and it is recommended to send them by means of the Conference web application. Only one A1 PDF panel is admitted containing graphics and text of the proposal and send it electronically. Physical model is optional but is recommended to be substituted by a film not longer than five minutes.
3. The presentation will be anonymous and only a lemma will be placed in the panel presentation. The jury only will know identities at the end of the process.
4. Participants must be lodged although it is not necessary to neither participate in the Conference nor pay for it. To be lodged it is necessary to include the lemma proposed in the panel presentation.
5. Participants presenting physical models can withdraw them at the end of the Conference.
