

## Chinese Government Scholarship China-Europe Credit-transfer Program

✚ The Chinese government launched the Scholarship to support more European students to study in China for short-term credit-transfer programs through intercollegiate cooperation.

✚ 2000 scholarships are available to European college students in school year of 2015/2016. Credit-transfer programs of three months or longer will be considered with priority.

✚ The grant is 2,500 RMB/month/person, which could be used to cover tuition, accommodation or other expenses in accordance with the cooperation agreements between universities.
